EDUCATION

DIPLOMA IN DIGITAL DESIGN AND DEVELOPMENT

BCIT

2023 – 2025

PROJECTS

Beep Sep – Dec 2024

Lead Digital Designer, UX/UI Designer and Frontend Developer

- Designed logos, branding, and marketing content for Instagram, and merchandise and created low-fidelity and high-fidelity frames for Beep app interfaces, as well as the landing and investor pages, using Figma, Illustrator, and Photoshop.
- Developed the front-end for the Beep app's landing and investor pages using HTML, CSS, and JavaScript.
- Edited the promotional video for the app utilizing Premiere Pro and After Effects.
- Conducted user research and analysis to evaluate usability and align the app's concept with user needs and purposes.
